Dear Ehud,

Following the various discussions, I just wanted to let you know that we go for Paul Krugman. I understand that you and your wife are going to be there as well and I wish you a most pleasant stay and an interesting conference.

Best regards,
Jan Bielinski

Dear Jan
I can think of Tony Blair, Stanley Fischer, Jacob Frankel, Nuriel Rubini,Tim Gaithner. Hillary Clinton. Leon Panneta.
Depends on what you want to emphasize.
Possible solution could be to take one or two of them and interview them with a good moderator.
Tony B and Hillary C might cost twice the price of any other.
If you decide on one of them let me know. I might probably can contact them directly.
In any case it's a little late and some of them might already be committed elsewhere.
Act swiftly.
Best
Ehud Barak

Unfortunately, Larry Summers whom you certainly know, had to cancel his speaking engagement as key note speaker at our Julius Baer Generation Summit in Bali at the beginning of September (pls see programme and invitation above). Our conference follows the Forbes Global CEO conference which will take place just before our conference.
